NEWSLETTER NO.15

Happy New Year to everyone within our school community!

Important Information

New Creative Curriculum Homework

On Monday we will be launching a new homework project linked to our Creative Curriculum. Information will be sent home to accompany the Homework Plan.

Parking outside of school

Once again we are reminding parents/carers to be considerate when parking near school. Do not park on double yellow lines or anywhere that may cause an obstruction and endanger children coming to school. There have been instances reported of cars that have been parked near the roundabout which is very dangerous. Thank you for your cooperation and support.

Money raised from Christmas Performances.

As promised in the last newsletter we are informing you of the amount raised at our Christmas performances. The total collected was £382.58. This money will go towards costumes, licences and future resources needed for our productions. Thank you for all your support.
