Parents Meeting regarding Y1 Phonics

Dear Parents / Carers of children in Year 1

I will be holding a short parent engagement meeting after school on Wednesday 28th February to give you information about the national phonics screening test. The Year 1 phonics screening test will take place in June and Year 1 children across the country are required to complete this. The test involves each child reading 40 words independently. During the session lots of different, practical ideas will be shared with parents.

The session will start at approximately 3.30 pm. You will need to collect your child at the usual time and walk around to the office to sign in. Your children will be supervised by a member of staff whilst you attend the parent engagement session.

Please complete the reply slip below to confirm your acknowledgment of this letter and attendance at the above meeting.

Yours faithfully

Mrs R Linfield
Assistant Head Teacher
